XL Universal Elastic Strap

Universal Elastic Straps

For temporary positioning in the therapy clinic, during fittings, when rolling over rough streets, or for sports, the Universal Elastic Strap is the stable solution. This strong elastic strap can be used on the chest, abdomen, lap or legs, and has an easy-grasp end tab with a thumbhole for users with limited hand function – truly a versatile support and positioning tool for caregivers, therapists and users.

Usable Length: 142cm (56”)

• Durable, high-stretch neoprene with soft nylon loop fabric
• Simple hook-and-loop closure (similar to Velcro®) for easy one-handed opening and adjustment
• Easily cut-to-length without fraying

The Universal Elastic Straps are sold individually and are available in all corresponding sizes for the Universal Elastic Straps:

<table>
<thead>
<tr>
<th>Size</th>
<th>Width (cm)</th>
</tr>
</thead>
<tbody>
<tr>
<td>SP110S</td>
<td>8 (3”)</td>
</tr>
<tr>
<td>SP110L</td>
<td>11 (4.5”)</td>
</tr>
<tr>
<td>SP110XL</td>
<td>15 (6”)</td>
</tr>
</tbody>
</table>

The Elastic Extension Straps were created to give added length to the original Universal Elastic Strap while keeping all the same great features. This accessory simply attaches to the end of the Universal Elastic Strap using the hook- and-loop closure to extend the overall length. The thumb loop end attaches to the Elastic Extension Strap to secure the end. Usable Length: 72.5cm (28-1/2”)

The Elastic Extension Straps are sold individually and are available in all corresponding sizes for the Elastic Extension Straps:

Aeromesh® Rapid-Dry Bath Belt

Aeromesh® Rapid-Dry Bath Belt

The Aeromesh® Rapid-Dry Bath Belt has the same great design and features you’re used to and is now available in a one-piece option. This new one-piece is available with two variations on the mounting straps: grommets or plastic slides.

• With grommets: Can be mounted directly to the bath chair using a screw or the Bath Belt Release Knob, or with any of our accessory mounting clamps.
• With plastic slides: Can be mounted directly to the bath chair frame by wrapping the webbing end around the tubing and securing with the slide.
• The full padding at the middle allows for greater comfort for the user.

Bath Belt Release Knobs

Move your grommeted bath belts the easy way with our Bath Belt Release Knob. This corrosion-resistant knob makes removal or repositioning of belts more convenient for wheelchair users and their caregivers.
