### FEATURES

- Feather-touch disassembly permits simple frame separation with only one hand
- Pride’s exclusive black, non-scuffing tires
- Auto-connecting front-to-rear cable
- Front frame-mounted seat post offers maximum stability
- Frame design easily disassembles into 5 super lightweight pieces for convenient transport and storage
- Modular design for easy serviceability
- Convenient off-board dual voltage charger can charge battery pack on-board or off-board
- Optional under seat storage (assembly required)

### Compatible Lifts
- Backpacker® Plus
- Backpacker® AVP
- Outlander Full Platform
- Outlander TM
- Olympian

<sup>1</sup> Varies with user weight, terrain type, battery amp-hour (AH), battery charge, battery condition and tire condition. These specifications can be subject to a variance of (+/- 10%).

<sup>2</sup> Due to manufacturing tolerances and continual product improvement, this specification can be subject to a variance of (+/- 3%).

<sup>3</sup> AGM or gel cell type required.

<sup>4</sup> This range was obtained with the 4-wheel model.

**NOTE:** All specifications subject to change without notice.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice. Speed and range vary with user weight, terrain type, battery charge, battery condition and tire pressure. Due to manufacturing tolerances and continual product improvement, length, width, turning radius and ground clearance can be subject to variance of ± 3 %. Dimensions listed are for power base only. Overall measurements will vary based on seating and accessory selections.
