

anchor

bathing chair

The Anchor provides a carefree bathing experience for children and caregivers alike. We make safety and comfort a priority so your child looks forward to bath time.

We designed the Anchor knowing your child's needs are unique and constantly evolving. That's why you can make angle and height adjustments with one hand on either side of the chair, all while your child is seated. It is also depth adjustable allowing for growth and long-term use. These agile and individualized functionalities ensure longevity, comfort, and hassle free bath time **so every bubble counts.**
