Aluminum Crutches

The Lumex Crutches offer a solid one-piece crutch frame in lightweight anodized aluminum with push-button height adjustment and contoured handgrips. The handgrip position is readily adjusted with wingnuts and has the push-button height adjustment and patient height guide to allow the crutch to be fitted to the proper user height. The Lumex Forearm Crutches are constructed of high-strength aluminum tubing, vinyl coated arm cuffs that can be shaped to the user's arms, cushioned vinyl handgrips and extra large crutch tips that provide added traction and stability.

Universal Aluminum Crutches

- Reinforced center tube and footpiece provide added strength
- Cushioned underarm pad and handgrips for user comfort
- Easy to adjust handgrip with wingnut to secure positioning
- Item No. 3610LF-8, 3611LF-8, 3612LF-8, 3613C-8

*E0114**

Deluxe Ortho Forearm Crutches

- Offers all of the features of the Deluxe Forearm crutches with the added benefit of the therapist-preferred Ortho-Ease handgrip
- Handgrip angle can be adjusted to comfortably fit the user's hand and wrist angle
- Handgrip adjustment can properly position the handgrip to provide the correct elbow flexion which can reduce fatigue and minimize stress on the joints
- Available in Small, Medium and Large sizes
- Item No. 6345, 6346, 6347

*E0110**

Deluxe Forearm Crutches

- Designed with vinyl coated arm cuffs that can be shaped to user's arms for a custom fit
- Leg and forearm sections independently adjust with easy push-button adjustment in 1" increments
- Extra large crutch tips provide added traction and stability
- Contoured vinyl handgrips for user comfort
- Available in Adult, Tall and Youth sizes
- Item No. 6350A, 6350T, 6350Y

Walkers

The Lumex Folding Walkers are designed to offer consumers and clinicians a high quality walking aid that gives the user more independence in their everyday lives. The Lumex walkers are constructed using lightweight aluminum making them easy to lift and maneuver. The walkers feature side braces for stability and a secure handhold and are offered in both adult and junior sizes.

Dual-Release Folding Walker

- Raised H-frame design facilitates over-toilet positioning
- Rigid dual side brace design
- Dual-release frame locking mechanism
- PVC handgrips for comfort and long lasting wear
- Easy push-button height adjustment on leg attachments
- Available with or without 5" front fixed wheels
- Rear glide caps to facilitate use on most surfaces for wheeled options
- Item No. 616070A, 616270A-4, 616370A-4

E0135*

Single-Release Folding Walker

- Single release folding mechanism is designed to aid users with limited hand dexterity
- Raised H-frame design facilitates over-toilet positioning
- Rigid lower side brace design
- PVC handgrips for comfort and long lasting wear
- Easy push-button height adjustment on leg attachments
- Item No. 613070A

E0135*

Everyday Dual-Release Folding Walker

- Dual-release frame locking mechanism
- PVC handgrips for comfort and long lasting wear
- Easy push-button height adjustment on leg attachments
- Available with or without 5" front fixed wheels
- Rear glide tips to enhance maneuverability on most surfaces for wheeled options
- Item No. 716070A-2, 716070A-4, 716170A-4, 716270A-2, 716270A-4, 716370A-2, 716370A-4

E0135*

Rigid Walker

- Non-folding design provides extra rigidity for use where space is not an issue
- Angled adjustable legs provide maximum patient support in all directions and help resist tipping
- Angled side brace helps support patients as they stand up and sit down
- Item No. 1925A

E0135*

Bariatric Dual-Release X-Wide Walker

- Increased width and depth accommodates larger users
- Frame is designed to be robust and rigid to provide additional strength
- Available with and without double 5" fixed wheels
- Item No. 604070A, 604070W (with wheels)

E0135*

ColorSelect Dual-Release Folding Walker

- Same features as the Everyday Dual-Release Walker but available in a variety of color options to appeal to the user
- Item No. 716270B-2, 716270BK-2, 716270G-2, 716270R-2, 716270P-2, 716270PK-2
