Superstand HLT is available in three sizes: HLT EI, HLT 1, and HLT 2

Standard Features Include: Horizontal high-loading surface, Prone, Vertical, Supine or Multi-Position configurable; hip and chest pads: hands-free standing angle adjustments; height and depth adjustable knee system; lock out block and locking casters. Section 1 of this Order Form provides for selection of individual components to create a standing system to suit your client's requirements.

Section 2 of this form offers *All-In-One* Pre-Configured Units that supply all the components needed for a complete standing program. Packages include: Hip pad with laterals, chest pad with laterals, support vest, soft hip pad, headrest, chinrest, multi-position foot system, opaque tray, hands-free standing angle adjustments, height & depth adjustable knee pads, lock out block and upgraded steel locking casters. Pre-configured Units can be accessorized to fit your client's needs with listed items in Section 2 of the order form.
